Dear Sirs,

S.S. "Asakaze Maru"

With much pleasure we have received your letter dated 17th December, 1953 regarding your approval of our proposal to defer the Special Survey, the Boiler and Annual Classification Surveys on the above steamer.

As the steamer is determined to enter Mitsui Dock-yard, Tama, Tamano City without fail about the middle of January, 1954, we beg to receive your Surveys at that time.

Yours faithfully,
