11th December, 1953.

Dear Sirs,

Steamer "ASAKAZE MARU"

I have to acknowledge the receipt of your letter of the 3rd instant and enclosed copy of communication from the Owners.

The case has received the consideration of the Committee at their Meeting today, and in the circumstances the Owners' proposal to defer the completion of the Special Survey until about the middle of next month has been approved, on the definite understanding that this inspection will be dealt with at that time without fail, as failure to do so will undoubtedly lead to loss of class.

It is noted that the Boiler and Annual Classification Surveys will also be held at that time.

Yours faithfully,

Clerk to the
Classification Committee.

The Surveyors,
KOBE.
