Dear Sirs,

With reference to the classification in the Society's Register Book of the tug "HEMBO", I have to remind you that this vessel became due for Modified Survey of the Oil Engines at the end of January last, and I shall be obliged if you will kindly let me know what arrangements are proposed to be made for this inspection to be held.

At the same time I have to point out that according to our records this vessel has not been seen in drydock by the Society's Surveyors for over two years, and it will be appreciated if you will let me know what arrangements can be made for an examination in drydock to take place.

Yours faithfully,

Clerk to the
Classification Committee.
