Dear Sir,

We duly received your letter of the 14th January last regarding the case of the "STANROYAL" and have to acquaint you that in view of your remarks the classification fees charged in this case have been reconsidered and it has now been decided to base our fees on two and a half times the Special Survey and L.M.C. fees and these items are being increased to £202.10.0d. for the hull and £100.0.0d. for the machinery. We shall be glad if the necessary amendment can be made to our Report No.105788.

Yours faithfully,  
THE SURVEYORS,
