Dear Sirs,

S/S "ROMA" & S/S "BURNHOLME".

In further reference to your letters respecting the Displacements of these Vessels, we beg to hereby certify that the Displacement of the S/S "BURNHOLME", at 23'.10 $\frac{1}{2}$ " Summer Draft, will be 8841 tons, and the tons per inch immersion at this draft will be 32.5.

S/S "ROMA". The Displacement of this Vessel at 22'.10 $\frac{1}{2}$ " Summer Draft will be 8860 tons, and the tons per inch immersion at this Draft will be 34.3.

The Board of Trade will require this Certificate from you before they will allot a new Freeboard. When you inform us when this Freeboard has been allotted, we shall be pleased to prepare you amended Deadweight Scales in accordance with the altered Draft.

Yours truly,

JOSEPH L. THOMPSON & SONS, Limited.
