Dear Sirs,

I duly received your letter of the 20th ultimo from which it is noted that the Owners have not yet been able to arrange for the motor ferry "MANECO" to be slipped for Screwshaft Survey up to the present time.

It is also noted they are making efforts to stop the ship in the immediate future, and as the Screwshaft Survey became due in May last the Committee must insist upon it being done not later than the end of this month.

I shall be glad if you will arrange with the Owners accordingly.

Yours faithfully,

Clerk to the
Classification CommitteeThe Surveyors,
ST. JOHN'S, Newfoundland.
