

POSTPONED SURVEYS

se of the..... M. S. "MANECO"..... No. 18674..... in R.B.

ilt..... Tonnage..... Owners.....

ss..... Port of Registry.....

rveys due..... Screwshaft Survey due 5.55.....

oposed to be held.....

marks..... In May last approval to postpone the Screwshaft Survey until October was granted.

Although a survey was held in October, 1955, in Newfoundland, the Screwshaft Survey was not carried out.

In the attached letter it is stated that the Owners hope to obtain a drydock in the immediate future when it is hoped the Screwshaft Survey will be held.

ief Surveyors' recommendations..... *Submitted action to defer for a short time.*

*End
2/1/56*

mmittee's Minute..... TUESDAY 3 JAN 1956.....

cision..... *Must by end Jan - JH*
