Dear Sirs,

Steamer "EMPIRE VICEROY"

The remarks contained in your letter of the 21st instant are noted, and your report of docking survey, which it is concluded has been held by you, is awaited.

As you are aware, the vessel's class is qualified by a notation of "Laid up pending machinery repairs and surveys overdue", and it is considered the Owners' Representatives should be requested to furnish written confirmation of their desire to withdraw from classification with this Society, as the case will have to come before the Committee to decide by which method the class will be dealt with.

Yours faithfully,

Assistant Clerk to the
Classification Committee.

The Surveyors,
KOBE.
