

"ANDROS VENTURE"

IT IS SUBMITTED that the Montreal Surveyors be referred to the First Entry Report No. MH.9906 for the above ship, and to their letter of 6th May 1954, and that they be asked to state the Makers of each item of steel complying with ABS class C requirements, fitted in compliance with Rule P.403, as indicated in section III of Circular No. 1965. The First Entry Report gives a list of the Steelmakers, but does not indicate which parts were supplied by each.

Ltr. 14.9.54.

 14th September 1954.
