Dear Mr. Riddell,

Andros Tankers Built at Lauzon, P.Q.  
s.s. "ANDROS VENTURE"

Thank you for your letter of the 15th June regarding the classification of the "ANDROS VENTURE". It would be a sorry conclusion to the considerable effort we made to get the classification of the 8 tankers, 6 in the U.S. and 2 in Canada, were we at this stage to disappoint the owner. However, the matter is not easy from our point of view. We are taking the matter up with the New York office in view of their responsibility for arranging the survey of the machinery during construction.

Pending the clarification of the matter we will not inform the owner, and I suggest that you do not advise the owner's representative in Montreal of the class assigned.

Yours sincerely,

W.J.F.

A. R. Riddell, Esq.,  
Montreal.
