The Secretary,

Dear Sirs,

m.t. "ATRAX"

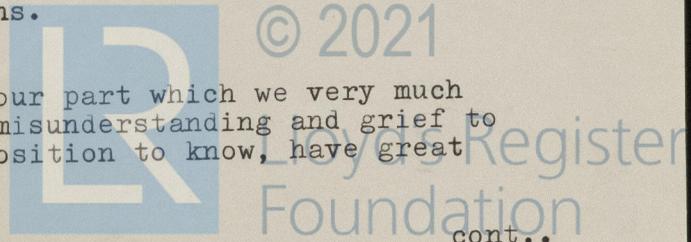

We regret the delay of our reply to your letter of the 2nd inst., the contents of which have been communicated to our Principals in Piraeus.

We sincerely wish to inform you that the Owners through our Principals have, in fact, written to us requesting us to advise you that they wish to withdraw the vessel from your Society.

? date
15th August
➤

Unfortunately, their letter was mislaid and upon receiving photocopy of your above letter our Piraeus Office pointed out to us the mistake, and we are now writing to you with the request to alter your entries in your books that the ship, in fact, was withdrawn on Owners request and not as you say in your letter for non-compliance with your Societies Regulations.

This is a mistake on our part which we very much regret as it caused a lot of misunderstanding and grief to the Owners who, we are in a position to know, have great respect for your Society.

The Secretary.

In view of what happened and instead of having the Owners penalised because of our own fault we would again ask you to look into this matter favourable and alter the non-compliance entry from your Register Book to withdrawal on Owners request.

We much regret the inconvenience and trouble we are giving you and trust you will see that the matter be rectified. We remain

Yours faithfully
