Dear Sirs,

Motorship "ATRAX"

With reference to our telephone conversation today, in view of the fact that the Society's Antwerp Surveyors have stated that they have been informed that the Owners of the above ship requested ABS class and that the Classification Survey was carried out last month, the case was submitted to the Committee at their meeting today who gave instructions for the vessel's class to be withdrawn on account of non-compliance with our Regulations.

I shall be glad if you will inform the Owners accordingly.

Yours faithfully,

cc PIR

pro Classification Manager.
