Dear Sirs,

Motorship "ATRAX".

In compliance with your telephonic request I confirm that this ship still retains her class of #100A1 "Oil Tanker".

As indicated to you in my letter on 8th instant, however, the Committee require a satisfactory proposal for the overdue Special Survey to be held immediately on completion of the ship's present voyage, without undertaking any further venture, as otherwise they will be unable to continue the ship in class.

Yours faithfully,

Classification Manager.
