Dear Sirs,

C.  
RNC/DET

M.S. "ATRAK"

Reverting to my letter of the 21st and your acknowledgment of the 22nd June, as no reply has apparently been received by you to the enquiry you have made of the Owners concerning the overdue Special Survey, the case has again come up for consideration by the Committee here today.

As a result, the Committee wish the Owners to be informed that unless a satisfactory proposal is received before next Friday for early compliance with outstanding surveys the ship must automatically lose her class.

I shall therefore be obliged if you will kindly impress upon the owners the necessity of furnishing the desired proposal if they wish classification to be maintained.

Yours faithfully,
