1st May, 1956.

Dear Sir,

W/F
With reference to your letter of the 20th March I would remind you that we are still awaiting your reply to our many enquiries regarding the "STANVAC VISAYAS II". We do not expect continually to have to remind officers of the Society to deal with correspondence which, after all, is a matter of common courtesy and I have, therefore, to request that you will give this matter your immediate attention.

Please also forward, without further delay, the returns referred to in my letter of the 21st March.

Yours faithfully,

W/F
Secretary.
