Enclosure

13th February, 1956.

Dear Sir,

Motor Tanker "STANVAC VISAYAS II"

ssn(S)  
RNC

I forward herewith a copy of airletter which was sent to you on the 28th October last, and would draw your attention to the fact that although follow-up enquiries were airmailed to you on 2nd, 22nd December and 10th January, no reply had been received by the 24th January.

We thereupon cabled to you as follows:-

"STANVAC VISAYAS II CABLE REPLY MY  
CLASSING LETTER 28TH OCTOBER"

and in the absence of any reply or even acknowledgment of any of these communications, I have to draw your attention to the fact that it is considered unfortunate we should still have to await the desired information.

If the details were not immediately available it would have been helpful had you even acknowledged one of our letters, and perhaps in the light of the above comments, you will let me know the position at an early date, without fail.

Yours faithfully,

Deputy Clerk to  
the Classification Committee.

E.R. Sanderson, Esq.,  
MANILA.
