Fitted for oil fuel 8.48 F.P. above 150°F.

Survey Due Special Survey due 8.52.

In May last a proposal to postpone the Special Survey until February next was agreed to provided the vessel was submitted to a satisfactory General Examination about the due date of the Special Survey.

In reply to enquiry the Owners state that this vessel is laid up and that owing to several of their vessels being overhauled at the present time they prefer to leave the survey of the "GOODWORKER" until a later date. In the meantime the vessel is laid up and for the moment they have no intention of putting her in commission.
