BILBAO

Dear Sirs,

Vessel "VASCO"

Due that my vessel "VASCO" is at the present doing a regular traffic of coal between Asturian ports and Bilbao, and as it is hope to continue in this way for a long time, I have to inform you that I have decided to withdraw the class of the above vessel from this date.

In the case that later on I decide to change the traffic of the vessel, you can be sure that I shall return to be in contact with your Society, since I am very satisfied with your services.

Yours faithfully,

Signed:- Illegible
