M/V. "SHELL". 15

Dear Sir,

In connection with the classification of the above vessel, we regret to inform you that the restricted service was not included in our recommendation or our Committee Report 8 No. 5238, and that this recommendation should read as follows:-

"This vessel so far as now seen is in good order and eligible in my opinion to be classed 100A- with notation of 33.Lis.11-50 and record of survey 11-50. For voyage Portugal to C.V.Islands and subsequently for coasting services at C.V.Islands"

We have issued a new certificate to Messrs. Shell Company of Portugal and recalled the old certificate for cancellation.

A copy of our new certificate is enclosed.

In passing, we also regret to point out a possible confusion in the numbering of our reports in this vessel, as by error the Hull Report is numbered 5238 and the machinery report 5250.

We are, Dear Sir,  
Yours faithfully

*John Austin*

The Secretary  
London.
