Dear Sir,

With reference to the Classification and Special Surveys in the case of the above vessel which have now been completed, we shall be glad if you will kindly inform us what fee should be charged.

You will recall that the main part of the classification was carried out in late 1947 when a partial fee of Esc:-7.200\$00 was charged for the work covered by the surveyors. We have now to charge the balance of this fee together with the Special Survey fees for hull and machinery and we submit that an inclusive charge of Esc:-12.000\$00 would amply cover the work undertaken by us during the period in which the vessel was recently under survey.

Our Committee reports are being forwarded in the usual way.

We are, Dear Sir,  
Yours faithfully,

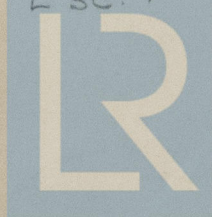

*John Guthrie*
