ANSWER.

With reference to your memorandum of the 22nd October last, I have to inform you that in December the Trieste Surveyors reported that three lugless shackles had been replaced but the fourth was not available at that time and should be fitted by the end of the present month.

In these circumstances I shall be glad if you will ascertain and let me know what arrangements are proposed to be made for this matter to receive attention.

A letter was addressed to the Owners on the 23rd March which has elicited no reply.
