Dear Sirs,

M.V. "RIVER TRENT".

Very many thanks for yours of the 12th inst. from which we note this vessel becomes due for Annual Survey on the 13th April next. As you are, no doubt, aware this vessel grounded in the Wisbech Channel on the 12th inst., and we have obtained Certificate of Seaworthiness to carry out this vessel's commitments prior to her drydocking for examination. We understand we cannot get a drydock for three weeks at the soonest, and we will endeavour to have the Annual Survey and the bottom examination at the same time.

We will give your local Office ample notice when we have made arrangements for her to drydock.

Yours faithfully,
For and on behalf of
R. H. HUNT & SONS, LTD.,

R. H. Hunt
Managing Director.
