Dear Sir,

"AUSTRALIAN PROGRESS"  
ex "MOBIL PROGRESS"  
Nag. FE No. 1321

We have now received the approved plans from the Kobe office reference to the main boilers fitted to this ship and when checking the dimensions against those as measured by us and shown in our report we have found the following discrepancies.

Steam Drum

Pitch of Tube Holes = 50 mm  
add - and 114 mm

Water Drum

Pitch of tube holes = 50 mm  
add - and 114 mm

Size of handhole = 51 mm  
amend - manhole 425 x 320 mm

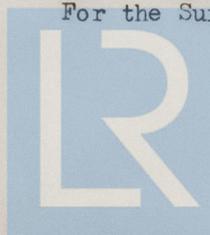

Kindly amend our report accordingly and one set of the plans previously mentioned are sent under cover of this letter.

Yours faithfully,

*A. Iwain*  
For the Surveyors.

Encl.:-  
As stated.
