Reference

Dear Sir,

S.S. "VERNICOS NICOLAOS"

We enclose herewith our report No. 10696 covering damage sustained by the above named vessel and would advise you that this report has been delayed pending a decision from the owner as to his intentions, the vessel being meanwhile laid up.

From **conversations** with the owners' superintendent it would appear that they are now endeavouring to secure a C.T.L. from this case.

Yours faithfully,

The Secretary,
London.
