Dear Sirs,

S.S. "VERNICOS NICOLAOS"

R.
NH/DET

In reply to your letter of the 10th May, I am pleased to inform you that provided the requirements of a General Examination are complied with without delay, the Committee will be prepared to consider the postponement of the Special Survey. In view of the age of the ship the period of any postponement granted will be dependent upon the condition of the ship as found and reported upon at the time of the General Examination.

I note that the Main Boiler Survey will be dealt with this month and it is concluded that the General Examination will be held at that time.

There will be no objection to the Screwshaft Survey being deferred until September next as proposed.

I shall be glad to learn, for the early information of the Committee, what definite arrangements are made for the necessary General Examination to be held.

Yours faithfully,

Deputy Clerk to the
Classification Committee

Messrs. P. Wigham-Richardson & Co.Ltd.,

Bury Street,
