

S.S. "ST. BOTOLPH".

This vessel, built in 1919, is now being converted for the use of oil fuel.

IT IS SUBMITTED that the plan of oil fuel pumping arrangement merits approval, provided the arrangements be as shown and amended on the plan and the remaining requirements of Section 20 of the Rules (1927-28) be complied with so far as they are applicable.

It is noted that a plan of steam control and lead of fuel pipes to the furnaces will be forwarded in due course.

Return plan.

Retain copy.
