ENCLOSURE

6th January, 1928.

Dear Sirs,

I have to inform you that I am today in receipt of a letter from Messrs. Henry Robb Ltd. respecting the Tug "ST. BOTOLPH", reading as follows :-

"We are obliged by your favour of the 29th ultimo concerning the Part Shell Expansion showing the proposed new plates on either side of the vessel in way of the new oil fuel bunkers.

"Through a misunderstanding with our outside staff the plates were indicated on the wrong strake, the alteration, however, will be carried out as amended by you on the print in red.

"We have noted the alteration and return the plan herewith".

The plan referred to in the Builders' letter is enclosed for your information and guidance in the survey of the vessel.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,  
LEITH.
