ENCLOSURE.

29th December, 1927.

Dear Sirs,

M.

I beg to acknowledge the receipt of your letter of the 27th instant enclosing a plan of part shell expansion showing the proposed two new plates on either side of the vessel in way of the new oil fuel bunkers in the Tug "ST. BOTOLIN", and with regard thereto I have pleasure in stating that provided two plates in "D" strake be renewed, as now amended on the plan, instead of two plates in "C" strake as proposed, to the satisfaction of the Society's Surveyors, the proposal will be approved.

The plan in question is returned herewith.

I am, Dear Sirs,

Yours faithfully,

Secretary.
