Dear Mr. Scullard,

We are in receipt of your freeboard report and form  
lld for the "ST. BCTOLPH", and the same has been approved.

I observe, however, that on your form lld you  
give the moulded depth amidships as 16' instead of 16'-1 $\frac{3}{4}$ ".  
We have amended the form, but I thought it better to let you  
know so that in your First Entry report on completion the  
moulded depth of 16'-1 $\frac{3}{4}$ " may be stated correctly.

With kind regards,

Yours faithfully,

Arthur Scullard, Esq.,
