Dear Sirs,

S.S. "NAESS VENTURER"

To complete the General Examination for the postponement of the Special Survey until September next, the following are outstanding:-

Examination of selected cargo tanks.  
Examination of fore and aft <sup>nick</sup> deep tanks,  
deck houses, superstructures, skylights,  
companionways, air and sounding pipes,  
bulwarks.

The vessel has recently been sold and the new Owners state the ship is due at Rotterdam in the near future when the above inspection will be completed, and I shall be glad if you will in this case the necessary attention.

Please advise this Office promptly should the ship not be submitted to survey as stated.

The Boiler and Steam generator Survey became due at the end of December and your attention is drawn to the Special Reasons List, and it is concluded that these inspections, together with the machinery condition of class, will also be dealt with at Rotterdam.

Yours faithfully,

Clerk to the  
Classification Committee

The Surveyors,  
ROTTERDAM
