QUESTION

ANSWER

With reference to your letter of the 22nd November, I shall be glad to learn whether you can furnish me with any further information regarding this case.

*M.A.B.*

Date:— 30th January, 1963.

There has been some doubt about the vessel's future, and at one time the Owners thought of asking for deferment of the Special Survey. They have, however, now finally decided to withdraw this tug from class as from to-morrow, 31st January.

As you are aware their new vessels are all built to class and they are gradually scrapping their old ships.

It is not likely that the Owners will keep this tug in commission much longer in any case.
