COPY

From : LLOYD'S REGISTER OF SHIPPING, 71, FENCHURCH STREET,
LONDON, E.C.3.

(Ref. H.)

To: The Surveyor(s) at OSLO

Date: 17th September, 1958.

Vessel's Name : S.S. "MELINE"

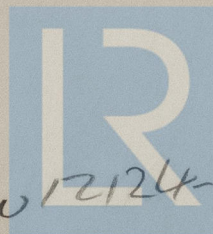

QUESTION

ANSWER

The Gothenburg Surveyors recommended in March last that the class be subject to larger size safety valves being fitted to the two steam/steam generators and satisfactory steam accumulation tests being held before the end of September, 1958. I shall be glad if you will ascertain and let me know what arrangements are proposed to be made for these matters to be dealt with.
