Attention: Mr. Lino Bresciani

Dear Sir,

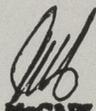

PROPOSED SALE OF FLOATING PLANT

I note from your March, 1987 Publication that it is the intention to call public tenders for the sale of major units of your Floating Plant.

I enclose copies of entries in Lloyd's Register of Ships, for the Hopper Barges "ROY A. CAMERON", "CHARLES H. MCKAY" and "THEO. H. SWANTON" and the Suction Hopper Dredger "MATTHEW FLINDERS", giving their particulars and dates of withdrawal from Lloyd's Register Class.

You may care to consider reinstating the Class of these ships, to assist in their satisfactory sale and I would welcome the opportunity to discuss this with you at your early convenience.

Yours faithfully,

  
J. MCCARLIE,  
Surveyor-in-Charge.
