Dear Sirs,

"CHARLES H. MACKAY"

With reference to my letter of the 9th May last, regarding the above vessel and also to the one of the 29th March last, addressed to the Surveyors at Melbourne, a carbon copy of which was forwarded to you I have to draw your attention to the fact that in spite of repeated enquiries to Melbourne regarding the General Examination no reply has been received and no Report 8 has yet been received. It is also concluded that the Load Line Certificate forwarded to Melbourne with my letter of the 29th of March is still held by them but I should like to have his confirmation of this.

Will you please establish for me the position of this case.

The vessel still appears in the Register Book as Class Contemplated and in view of the pending reprint of the Register Book it is desired if possible to insert the full details in the forthcoming edition.

Yours faithfully,

pro Clerk to the
Classification Committee

The Surveyors,
SYDNEY.
