Dear Sirs,

"CHARLES H. McKAY"

I have to inform you that the above hopper barge has been constructed under special survey, freeboards have been computed in this Office and on the 16th instant the Hull Surveyors issued a Cert. LLST valid until the 15th June, 1962, to cover the delivery voyage to your Port.

I now enclose Load Line Certificates for issue when you have carried out a satisfactory general examination of the structure to ascertain that no damage has been sustained during the delivery voyage. Your Rpt. 8 is awaited in due course.

Please also insert the official number in the Certificates before issue and report details to this Office.

The Cert. LLST referred to above should be withdrawn for cancellation.

Yours faithfully,

pro Secretary
