Dear Sirs,

Motorship "OREMAR"

A cablegram has been received from the Society's Surveyor at Montevideo stating that the ship has sailed for your port and that you have been advised of the circumstances of this case.

I shall be glad if you would advise me by cablegram should the ship leave your port without the long overdue Special Survey having been completed.

Yours faithfully,

~~pro~~ Clerk to the  
Classification Committee.

The Surveyors,  
BUENOS AIRES.
