

Enclosures.

22nd December, 1954.

6752/FW/Du.

Dear Sirs,

" EUROPE ".

44
With reference to your letter of 17th instant forwarding plans of Air & Sounding Pipes we have to inform you that the same will be approved provided the remaining requirements of the Rules for Pumping and Piping be complied with so far as they are applicable.

It is recommended that the wing tanks be provided with sounding pipes from the deck in the normal manner.

Two copies of the above mentioned plans are returned herewith.

Yours faithfully,

The Surveyors,
Kiel.

For the Surveyors.
