Enclosure

Ship

Dear Sirs,

M.T. "EUROPE"

I enclose a copy of a letter dated the 22nd October 1954 addressed to Messrs. Arnesen, Christensen & Co. A/S regarding the approval of a plan of Midship Section in connection with the conversion of the above tanker for the carriage of ore in bulk, together with a copy of the plan therein referred to and a copy of an outline profile and deck plan.

I may say that we have today received a letter from the Kiel Surveyors stating that the ship is shortly to arrive at the yard of Kieler Howaldtswerke A.G. where the conversion to an ore carrier is to be carried out.

At their request the First Entry Reports, approved plans of Midship Section, Profile and Decks and Freeboard Reports are being forwarded to them.

A copy of this letter is also being sent to Kiel.

Yours faithfully,

The Surveyors,
HAMBURG.

pro Secretary.
