~~I have no doubt that you will find it very interesting to read the history of the~~
~~the first part of the life of the great man who has been called the Father of our Country.~~

~~The first part of his life was spent in the study of law and in the practice of the~~
~~profession of arms. He was born in 1733 at Stratford Connecticut.~~

~~He was educated at Yale College where he graduated in 1753. He then studied law~~
~~under Judge Trenchard and was admitted to the bar in 1759.~~

~~In 1764 he was elected to the Assembly and in 1768 to the House of Representatives.~~
~~He served in the Revolutionary War and was one of the signers of the Declaration of Independence.~~

~~After the war he continued to serve his country in various capacities and died in 1804.~~

~~His life and works are a source of inspiration to all Americans.~~

~~Yours truly,~~
