Classn(s) /

Dear Sir,

M.V. "PULBOROUGH".
Newcastle Report No. 116492.

In reply to the query in your classing letter of the 4th instant regarding the marking of the tachometer and fitting of a notice board, we have to state that a notice board has now been fitted, but the tachometer remarks unmarked. It was stated by the Owners' Representatives that they had been unable to open the tachometer, but that it would be marked at a future date. They undertook to inform your Office when this has been done.

We are, Dear Sir,
Yours faithfully,
THE SURVEYORS.
