## QUESTION.

With reference to my letter of the 24th May last, I shall be glad to learn whether you are now in a position to furnish me with further information in regard to this case.

You will observe that the Donkey Boiler Survey will become due at the end of this month.

*L.R. 2*

## ANSWER.

Date:— 11th August 1950

This vessel is still laid up awaiting a decision on the part of the Owners and the Italian Shipping Authorities.

We have discussed the matter with the Superintendent who states there would be no objection to a record of "Laid up pending Survey" being made in this case.
