Dear Sirs,

steamer "ORIENTAL GIANT"

Before your Report No. 1269 receives consideration, I have to point out that according to records in this Office, there are 14 centre cargo tanks also wing tanks (port and starboard) forward (in addition to Nos. 1 and 2 deep tanks) and also 'tween deck F.W. tanks aft.

These have not been reported, but it is concluded that they have been dealt with for Special Survey, but early confirmation on this point is desired.

Yours faithfully,

pro Clerk to the
Classification Committee

The Surveyors,
NAGASAKI
