7.11.1955.

Dear Sirs,

Wartsila-koncernen Ab, Maskin och Bro.
Helsingfors
CLASS I Fusion Welding

Your letter Eng./3.11.55 including enclosures
thankfully received.

I have forwarded your letter of 3.11.55 headed
"CLASS I Fusion Welding", to Messrs. Maskin och Bro.

The contents of your letter, addressed to the
undersigned, have been noted and your advices will be
attended to.

As to the last passage of your letter I herewith
confirm that I was ~~unable~~ able to read the radiographs in
respect of the boilers for Sandvikens Skeppsdocka's
Yard Nos. 353/4/5, though said radiographs were un-
clearer than normal, owing to the fact that the films
had been laying too long in stock at Messrs. Maskin
och Bro, I had no objection against the acceptance of
these boilers.

I remain, Dear Sirs,

Yours faithfully,

(Sgd.) A. Weber.
