LONDON, E.C.3.

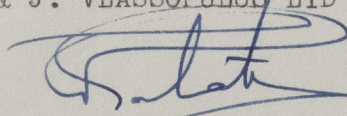

Dear Sir,

s.s. "ATHAMAS"

We refer to your letter of the 4th June and wish to advise you that up to now we have not succeeded in getting any definite information from the Owners of the vessel, regarding their arrangements for the Surveys in question, though we have been assured by them that they hope to be in a position to let us know within the next few days, in which case we will not fail to advise you accordingly.

We take this opportunity to ask you if you could furnish us with a photostat copy of the "Stern Frames" and "Rudder Plan" of the vessel, which we will forward to the Owners.

Yours faithfully,
For and on behalf of
N. & J. VLASSOPULOS LTD.

T.N. Galatis.
Marine Superintendent Engineer.
