Dear Sirs,

S.S. "ATHAMAS"

With reference to your letter of the 14th November, I shall be glad to learn if you are yet in a position to let me know the port at which the Special Survey is to be held, in order that the Society's Surveyors concerned may be advised.

It is concluded that the Main Boiler Survey will be held before the end of this month, at the same time as the Special Survey.

I would take this opportunity to remind you that the Screwshaft Survey will become due at the end of April, and your intentions regarding this inspection will be appreciated in due course.

Yours faithfully,

Clerk to the  
Classification Committee
