Dear Sirs,

Steamer "ATHAMAS"

Reverting to your letter of the 14th June last, the Society's Surveyors at Amsterdam have reported that this ship was under survey in June/July when the General Examination with a view to a postponement of the Special Survey until January 1963 being granted was carried out with the exception of the examination of the hatch covers and closing arrangements.

At the request of the Master it was agreed that the examination of these parts might be postponed until the completion of the present voyage, Amsterdam - Archangel - Hull, and this proposal was approved, it being understood that the ship will arrive at Hull this month.

I shall be glad if you will make the necessary arrangements for the Society's Surveyors to be requested to attend on board for this work to be done on the ship's arrival at Hull.

Yours faithfully,

*c.c. Hull*
