24th March, 1938.

Dear Sirs,

M. I have to inform you that the Twin Screw Tanker "TASAJERA", Messrs. The Furness Shipbuilding Co's Yard No. 285, has proceeded to your port with a view to the installation of the machinery.

To complete the survey on the hull the following remains to be done :- Steam steering gear, auxiliary steering gear and steam windlass to be examined under working conditions. Engine and boiler casings to complete after machinery is installed.

I shall therefore be glad if you will be good enough to give the case the necessary attention, and, on completion of the work, to forward a report on form No. 8 with a view to the classification of the vessel.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

NEWCASTLE-on-TYNE.
