The Second Special Survey No.3 became due on this vessel in November last and has been partly held.

In reply to enquiry the Belfast Surveyors now forward a letter from the new Owner to the effect that he is not retaining the class of this tug in the Register Book.

The Classing Committee had the case before them on Tuesday, the 1st instant, when they decided to give instructions for the vessel's character to be withdrawn from the Register Book and three dots (...) inserted in lieu thereof, indicating withdrawal of class at Owner's request.
