Gentlemen,

M. I have to acquaint you that it appears from a report received at this Office that the steel screw tug "SOUTHAMPTON", recently built at Dartmouth by Messrs. Philip & Son, Ltd., is to be typed to your port, where her machinery is to be fitted.

In these circumstances I shall be glad if you will give the case the necessary attention and forward a report on form 8 on the completion of the work for the information of the Committee with a view to the classification of the vessel.

I am, Gentlemen,

Your obedient servant,

pro Secretary.

The Surveyors,

H U L L.
