Dear Sir,

In reply to your letter of the 27th instant with reference to the copies of London Certificates Nos. C.7857 & 8 in respect of the air receivers of the M.V. "JOLLY DAYS", a careful search has been made in this office, and these Certificates cannot be found.

Our recollection is that they were forwarded with the First Entry Report, Aberdeen report No. 18037. The reports were enclosed in one envelope, and the plans in another, and so far as we can remember these Certificates were enclosed in the same envelope as the reports.

The receivers were stamped:-

"Nos. 7857 & 8
Lloyd's Test
650 lbs.
W.P. 400 lbs.
4: 2: 35. "

I am, Dear Sir,

Yours faithfully,

P. Fitzgerald
